## **Tyndall Federal Credit Union Announces Plans for Second Panama City Beach Branch**

***Location on Thomas Drive will provide even more convenience for Panama City Beach Members***

**PANAMA CITY, FL** - Tyndall Federal Credit Union is pleased to announce that the organization will be acquiring property on the eastern side of Panama City Beach to open the credit union's newest branch location. The new branch will be located at 2209 Thomas Drive.

The new location will be a full-service branch including financial services representatives, lobby tellers, two drive-thru lanes and a drive-thru ATM. This will complement Tyndall's existing Panama City Beach Branch on Hutchison Blvd. The branch facility will be remodeled and should open by December of this year.

With this addition to the Tyndall branch network, the credit union will offer members the convenience of ten branch locations. Tyndall has been working hard throughout 2008 to increase the accessibility of our industry leading products and services by expanding in Marianna, the construction of a new facility in Chipley and now our second Panama City Beach location. This is in addition to expanding our online product offering, which now includes online loan applications and the ability to open new deposit accounts through [tyndall.org](http://tyndall.org).

"Panama City Beach members have been asking for more convenience and more services, and today I am pleased to announce we have heard you loud and clear," said Jim Warren, President and CEO of Tyndall. "Our new Thomas Drive Branch will be perfectly located to serve members on the eastern side of Panama City Beach."

Tyndall Federal is a federally chartered, not-for-profit financial cooperative serving over 100,000 members worldwide with assets of more than \$900 million. Currently, Tyndall has branches in Panama City, Panama City Beach, Tyndall Air Force Base, Lynn Haven, Parker, Port St. Joe, Mary Esther and Marianna.
